

ANANYA H S

Software Engineer looking to transition into B2B SaaS

Mysuru, Karnataka, India • +91 9606261524 • ananyasg1001@gmail.com
• <https://portfolio-peach-kappa-31.vercel.app/>

PROFESSIONAL SUMMARY

Trained as React JS developer, former React Native app developer, experienced data annotator. Brings strong problem-solving instincts, analytical foundation (math-heavy academic record) and a numbers-first mindset. Naturally empathetic with a lot of patience. Seeking to leverage debugging discipline and client-facing experience to deliver world-class customer support and success in a B2B SaaS environment.
